Class News

Can Goods for SPARC

Our school is currently collecting can goods for the Franklin Township SPARC to benefit many needy families in our community. This week we will compete with Thompson Crossing to see which school collects the most can goods. Please send in all can goods and non-perishable items by Friday.

Reading

Story 13: How Night Came From the Sea

Students will learning the reading strategy to visualize. To visualize students will review using their reading voice and their thinking voices. We will also review generalizations, and how they differ from opinions. Students will use graphic organizers and story maps to identify the parts of a story. All tests will be given on Thursday, and students will take their tests online. All reading tests will be OPEN BOOK!

Next week's vocabulary words: brilliant, chorus, coward, gleamed, shimmering

Spelling

Next week's Spelling Patterns : ou or ow

A list of spelling words can be found on my website or at www.spellingcity.com. See my link below. We are on Unit 3 Week 2. Test is on Thursday!

Homework: Spelling Contract or Both Spelling Workbook Pages

Social Studies

In social studies, Mrs. Pedigo and Mrs. Warner will begin teaching Unit 2 about Early Indiana. Students will learn about our state's early inhabitants and their cultures.

Science

In Science this week, students are learning about static electricity. Students will learn how atoms have positive and negative charges that attract and repel each other.

Writing

Grammar: We have been learning how to use a thesaurus to find replacements for some of our old overused and boring words. Students will be learning how to replace adjectives and verbs in their writing to make it better.

Important Dates

11/10- Math Unit 4 Test

11/14 – 11/18 - Food Drive

11/16- Midterms

11/24- Thanksgiving

11/24 -11/27

Thanksgiving Break

11/28-12/2- Santa Shop

Mathematics

Most students did very well on our Unit 4 Math test, and we are beginning to show progress in learning our multiplication times tables. Please keep practicing at home!

This week we are beginning Unit 5. In Unit 5 we will learn to multiply multi-digit numbers. Students will learn various strategies to solve these larger multiplication problems. Please let me know if you have any questions with the strategies.
